

Ard na Sidhe Country House

Directions

You enter Killorglin over a large Stone Bridge which is the start of the Main Street. Continue up the hill as far as the roundabout, you then face the Garda Barracks - here turn left down Langford Street for approx 800 metres to the AD Factory on your left. Follow the road around to the right, following the white line - follow this road for 2 1/2 miles approx as far as Caragh Lake School on the right (single storey building, painted pink with grey stone wall in front). Opposite, there is a house that was a shop and has 'P Shea' written over the door, turn left at this house and we are 1.6 km on the right hand side. Please drive carefully after Killorglin, as the roads are very pretty but narrow!
